All after School Clubs run until 4pm

Clubs offer a variety of enriching activities each day - these are charged at £2.50 per club, per child - payable weekly on your School Money account.

Children eligible for means tested Free School Meals (Pupil Premium) will not be charged for school clubs but may be charged for clubs run by external providers.

Clubs are run by school staff who know the children well.

External providers are vetted to ensure they are DBS checked, insured and have received appropriate safeguarding training.

Families must sign their children up for clubs in advance. Some clubs may have waiting lists.
